

# FUR FRIEND-Z NEWS LETTER

Doggie Bling is a new fun addition to the list of services we provide at Fur Friend-Z.

During a recent trip to Southern Californian for a grooming seminar, I attended this class for fun. However it turned out to be very popular and highly requested.

Some fun things available are rhinestones, feathers, stencils and colored chalk hair dye. All these items are non-toxic and easily removed.

We also polish nails on shaved paws or short coated breeds. Doggie Bling prices start at only \$5.00.

Thank you for your time hope to see you soon.

Stephanie.
